

INSIDE COMMS Plus

Internal Comms E-Learning

A quick, cost-effective way to boost your team's performance

- ☑ Huge potential ROI: poor communication can cost companies \$12,500 per year, per employee.¹ Even a minimal investment can help
- ☑ A small fraction of the cost of attending a conference
- ☑ Courses feature downloadable tools and templates to use right away and keep forever
- ☑ Teaches key principles and skills vs. learning everything on the job
- ☑ Based on real-world scenarios and practices that work
- ☑ Helps ensure internal comms support business results
- ☑ Created and produced by 30-year comms veteran and Emmy nominee Gary Ross
- ☑ On-demand and available for one year after purchase
- ☑ Simple to purchase online
- ☑ Discounted team pricing available
- ☑ Bundle courses for discounts
